■ Consignes de sécurité

Read Instruction manual + DVD-Rom

AVERTISSEMENT : avant d'utiliser l'imprimante, veuillez lire attentivement les informations concernant la sécurité et l'installation présentes dans la notice d'instructions, ainsi que la fiche de sécurité (FDS) pour les consommables utilisés.

■ Recyclage

Elimination des piles et accumulateurs usagés (applicable dans les pays de l'union européenne et aux autres pays européens disposant de systèmes de collecte sélective).

Elimination des appareils électriques et électroniques usagés (applicable dans les pays de l'union européenne et aux autres pays européens disposant de systèmes de collecte sélective).

Ces symboles indiquent que l'appareil électrique et électronique en fin de vie ainsi que les piles et accumulateurs qui le constituent, ne doivent pas être traités comme de simples déchets ménagers. En vous assurant que ces éléments sont mis au rebut de façon appropriée, vous participez activement à la prévention des conséquences négatives que leur mauvais traitement pourrait provoquer sur l'environnement et sur la santé humaine. Le recyclage des matériaux contribue à la préservation des ressources naturelles. En confiant votre appareil électrique en fin de vie à une société dûment habilitée, vous vous assurez que tous les éléments incorporés seront traités correctement.
Pour tous les autres cas de figure et afin d'enlever les piles, les accumulateurs ou autres matériaux en toute sécurité de votre appareil, reportez-vous au manuel d'utilisation ou contacter votre représentant Markem-Imaje.

■ Safety Instructions

Read Instruction manual + DVD-Rom

WARNING: before using the printer, please carefully read the information concerning safety and installation in the instruction manual and the Safety Data Sheet (SDS) for the consumables used.

■ Recycling

Disposal of used batteries and rechargeable batteries (applicable in European Union countries and other European countries with selective waste collection systems).

Disposal of used electrical and electronic equipment (applicable in European Union countries and other European countries with selective waste collection systems).

These symbols indicate that the electrical and electronic device, and the batteries and rechargeable batteries therein, must not be disposed of at the end of its life as ordinary municipal solid waste. By ensuring that these items are disposed of appropriately, you play an active role in avoiding the harmful consequences that incorrect disposal could have on the environment and human health. The recycling of materials contributes to the preservation of natural resources.
By entrusting your end-of-life electrical devices to a duly authorized disposal company, you ensure that all the items therein will be handled correctly.
In all other cases and in order to safely remove batteries, rechargeable batteries and other materials, see the user manual or contact your Markem-Imaje representative.

GEN-FR-EN-TTO

■ Programme d'échange standard

Les pièces de remplacement sont disponibles à l'occasion du "programme échange standard Markem-Imaje". Il s'agit de pièces re-conditionnées : les composants usés ou endommagés ont été remplacés. Ces pièces sont identifiées dans le catalogue client par une référence spécifique commençant par ENR.

	Référence
Pièce neuve	ENMXXXXX
Pièce de remplacement	ENRXXXXX

Les pièces de remplacement sont disponibles dans les conditions suivantes:
– une pièce reconditionnée contient des composants recyclés,
– la pièce d'origine défectueuse doit être renvoyée à Markem-Imaje. Elle devient la propriété de Markem-Imaje,
– la pièce d'origine défectueuse n'a pas été modifiée, détériorée et aucun composant n'a été enlevé,
– l'utilisation de la pièce d'origine défectueuse et les instructions de maintenance ont été respectées,
– les procédures de nettoyage et de vidange de la pièce d'origine défectueuse ont été respectées.

■ Comment commander ?

Les commandes peuvent être passées par mail, fax ou téléphone. Dans ce dernier cas une confirmation écrite est nécessaire.

Pour les commandes de pièces ou accessoires, contacter votre représentant Markem-Imaje.
Les précisions suivantes doivent apparaître sur les commandes de pièces détachées:
Référence Markem-Imaje de la pièce, désignation, quantité désirée, date de livraison demandée, instructions d'expédition, numéro de commande.

■ Code observation

Les articles précédés de ce code ne sont pas des articles vendables client.
Contacter votre revendeur Markem-Imaje ou votre Distributeur.

Les articles précédés de ce code ne sont pas des articles vendables client mais sont des documents disponibles au format pdf.

■ Part Exchange Program

Replacement parts are available under the Markem-Imaje Part Exchange Program. These are reconditioned parts, all worn or damaged components have been replaced. These parts are identified in the catalog by a specific reference prefix ENR, e.g.:

	Part number
New Part	ENMXXXXX
Replacement Part	ENRXXXXX

Replacement parts are available under the following conditions:

– a reconditioned part contains recycled components,
– the defective original part must be returned to Markem-Imaje and it becomes the property of Markem-Imaje,
– the defective original part has not been modified or damaged and no component has been removed,
– proper use has been made of the defective original part and the maintenance instructions have been complied with,
– cleaning and draining procedures for the defective original part have been followed.

■ How to order?

Order may be sent by mail, fax or telephone. Written confirmation is required in the case of telephone orders.
To order parts, contact the markem-Imaje representative.

The following information should be shown on orders for replacement parts or accessories:
Markem-Imaje part reference number, description, quantity required, required delivery date, delivery instructions, purchase order number.

■ Observation code

Brackets for SmartDate X40/X60 Series
Rotary Head Mount
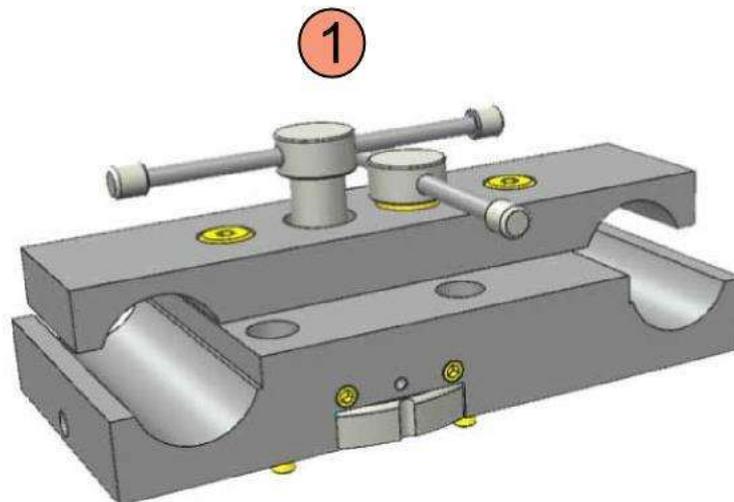

TV02615

Item	Part number	Description
1	5824352	Rotary Head Mount

Brackets for SmartDate X40/X60 Series
Solid Side Plate

TV02616

Item	Part number	Description
1	5362612	Solid Side Plate

Brackets for SmartDate X40/X60 Series
Head Mount Assembly
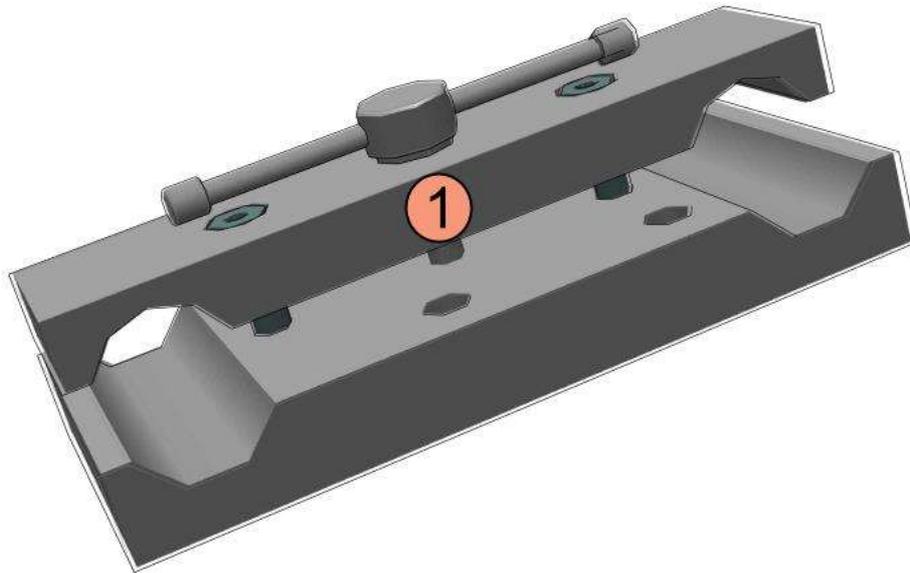

TV02617

Item	Part number	Description
1	5824260	Head Mount Assembly
1	10025617	Head Mount Assembly - X60/X65 Shuttle Printer Only (2mm Offset)

Brackets for SmartDate X40/X60 Series
Cross Support Tube
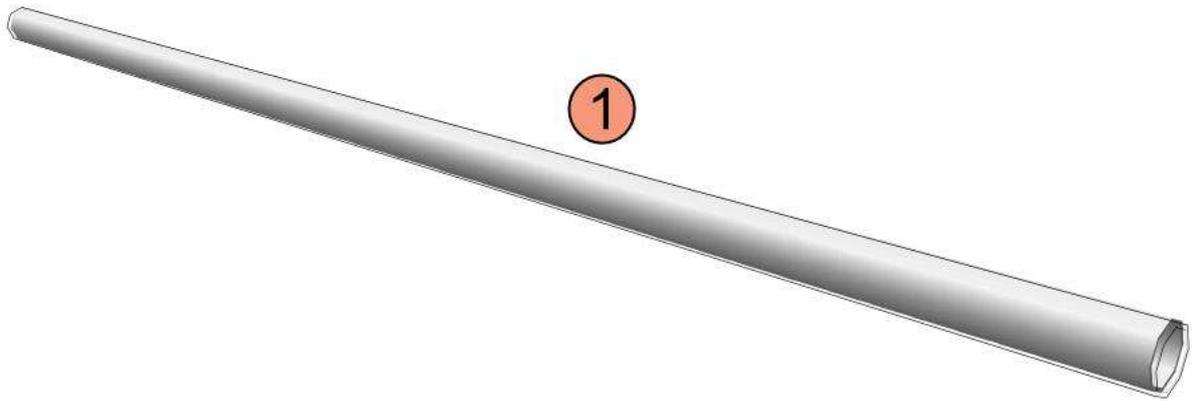

TV02618

Item	Part number	Description
1	5942863	Cross Support Tube

Brackets for SmartDate X40/X60 Series
Pressure Roller Shaft
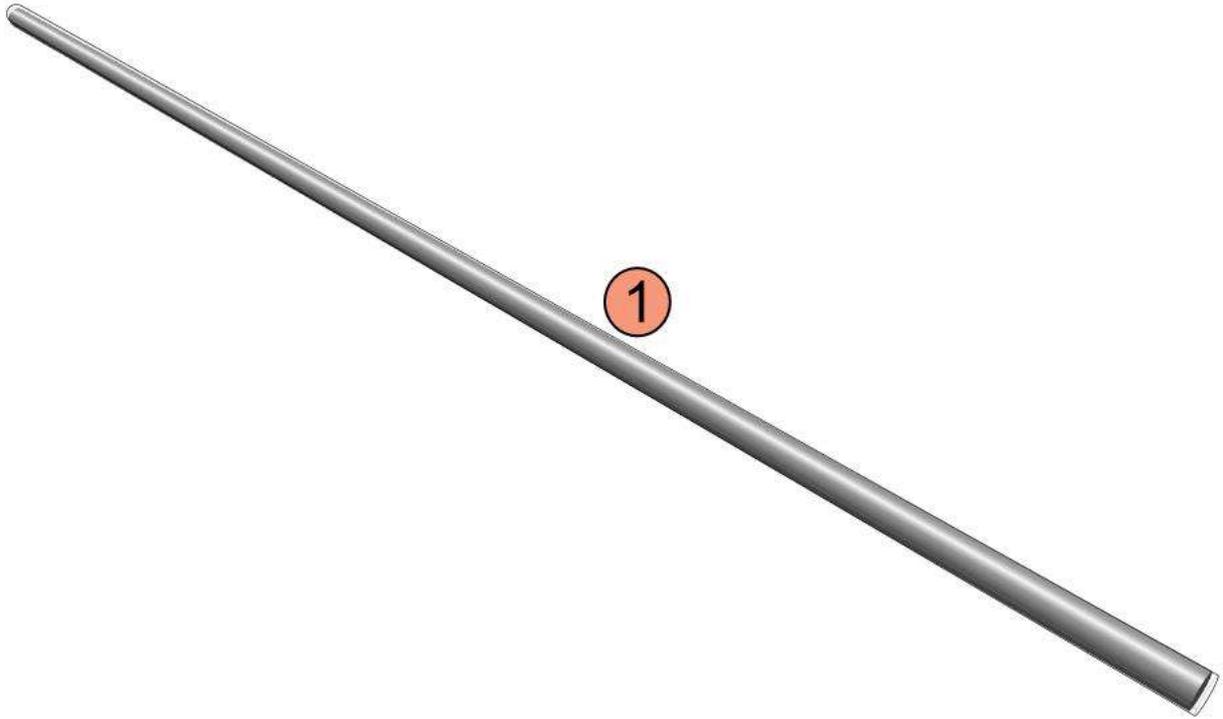

TV02619

Item	Part number	Description
1	5942862	Pressure Roller Shaft

Brackets for SmartDate X40/X60 Series
Connector Kit

TV02620

Item	Part number	Description
1	5824298	Connector Kit

Brackets for SmartDate X40/X60 Series
Window Side Plate
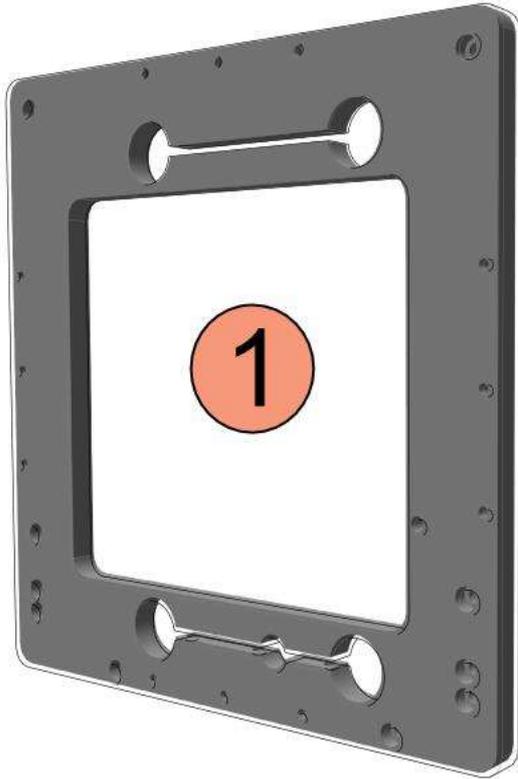

TV02621

Item	Part number	Description
1	5362325	Window Side Plate
2	5362326	Window Side Plate

Brackets for SmartDate X40/X60 Series
Intermittent (L) Side Plate

TV02623

Item	Part number	Description
1	5366496	Intermittent (L) Side Plate
2	5366495	Intermittent (L) Side Plate

Brackets for SmartDate X40/X60 Series
Continuous (L) Side Plate
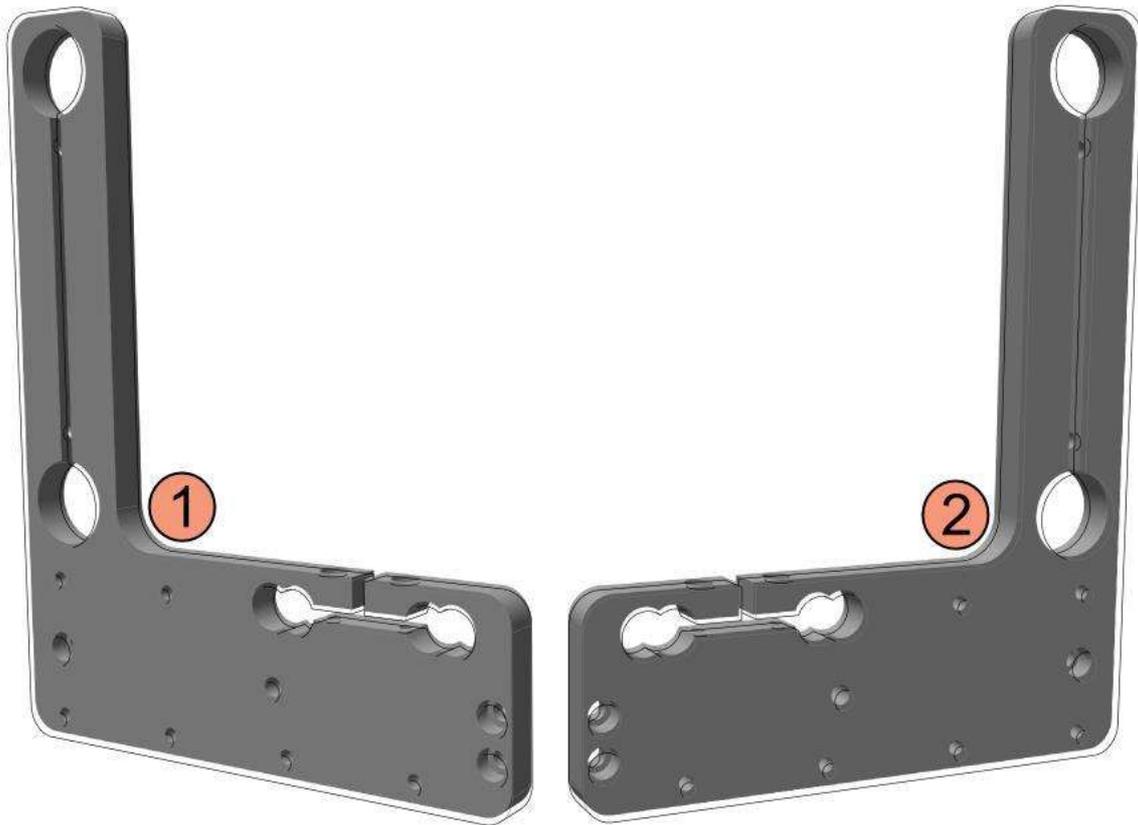

TV02624

Item	Part number	Description
1	5366283	Continuous (L) Side Plate
2	5366282	Continuous (L) Side Plate

Brackets for SmartDate X40/X60 Series
Intermittent (L) Head Mount Assembly

TV02625

Item	Part number	Description
1	5824834	Intermittent (L) Head Mount Assembly

Brackets for SmartDate X40/X60 Series
Continuous (L) Head Mount Assembly
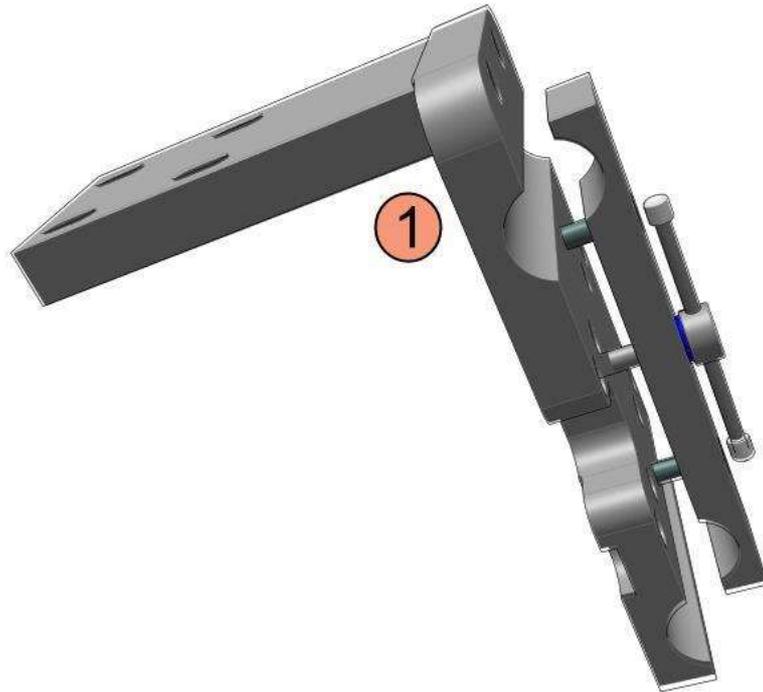

TV02626

Item	Part number	Description
1	5825512	Continuous (L) Head Mount Assembly
1	10026084	Continuous (L) Head Mount Assembly - X60/X65 Shuttle Printer Only (2mm Offset)

SDX45 Washdown Kits Spare Parts
